RE: Hexcel Corporation
ISRA Case #86009
205 Main Street, Lodi, Bergen County
One Percent Surcharge Invoice – 2nd Request

Dear Mr. Koenig:

In accordance with Section 33 of P.L. 1993, c. 139 the Industrial Site Recovery Act (ISRA) an annual one percent (1%) surcharge is required on the amount of the remediation funding source for each successive year until the remediation is completed. The one percent remediation funding source surcharge, in the amount of \$40,000.00 was due on 01/03/01.

Please submit the one percent (1%) surcharge payment, payable to the "New Jersey Economic Development Authority ('NJEDA')" within ten (10) days of receipt of this letter to me at the above address. (Note: This is not a penalty assessment.)

This letter does not constitute an extension or modification of the time periods for ISRA compliance or any previous Department correspondence. Failure to provide the one percent (1%) surcharge payment will constitute a violation of N.J.S.A. 58:10B-3 and enforcement action may be taken and/or a referral to the Deputy Attorney General's Office for review and action.

Please note this is the **SECOND REQUEST** for the surcharge.

Should you have any questions regarding the foregoing, please contact me at (609) 633-0743.

Very truly yours,

Anne Radziunas, Coordinator
Bureau of Fund Management, Compliance & Recovery
